**Special Olympics Volunteers:**

This year the Special Olympics will be on May 23rd in Ames. If you are interested in volunteering, please see Mrs Mac. We will leave around 7:30 AM and return around 2:30 PM that day.

Do you have a daughter, niece, sister, friend or female acquaintance who's interested in learning about education and career opportunities in STEM (science, technology, engineering, math)?

If you said yes, **please send them the attached invitation to Trailblazers**, and encourage them to register for this special event, returning to the Des Moines area on April 18!

### About Trailblazers

Last year, Principal teamed up with Keyot to host Trailblazers, a conference/networking event that focuses on helping reverse the underrepresentation of females in STEM-related careers by giving area high school and college women an opportunity to explore STEM education and job options in an open, collaborative and fun setting. The popular event is back this year, with Corteva Agriscience in Johnston serving as host. Here a quick rundown of specifics:

- **Who:** Female high school and college students who are interested in learning more about science, technology, engineering and/or math education and career opportunities. Parents/Guardians are welcome to attend too!
- **What:** Great opportunities to gain insight from and interact directly with Des Moines-area STEM professionals, including Principal women in technology who will be represented on discussion panels at the event, as well as opportunities for peer networking.
- **Where:** Corteva Agriscience, 7000 NW 62<sup>nd</sup> Ave., Johnston, IA
- **When:** Thursday, April 18, 2019 from 6:00 -8:00 p.m.

**How:** Learn more and register to attend here: <https://www.eventbrite.com/e/iowa-trailblazers-2019-registration-55768999579>

**STUDENTS:  
PLEASE DO NOT  
THROW YOUR  
SILVERWARE AWAY!**
