

4-H GROWS HERE

The goal of the 4-H Program is to empower youth to reach their full potential through youth-adult partnerships and research based experiences. 4-H has four program priorities: Healthy Living, STEM, Leadership and Civic Engagement, and Communication and the Arts. These priorities are delivered through afterschool programs, at monthly club meetings, during special events, at camps, and at schools. 4-H encourages youth to Learn by Doing, which we reflect with the hashtag “Inspire Kids to Do”.

There are over 30 project areas in the 4-H program, and hundreds of ways that you can learn within those project areas! This means that youth will never struggle to find a topic that interests them. Share your **PASSION** by turning it into a **PROJECT** to share with others.

The 4-H program offers opportunities for youth in grades K-3 (Clover Kids) and 4-12th (4-H). Story County has several community clubs available for membership! For a full club list, visit the Story County Extension website (<https://www.extension.iastate.edu/story/>). Not interested in joining a club, but still want to participate in 4-H? Ask about Independent Membership! Enrollment for the 2021-2022 4-H year begins in September!

To join 4-H or Clover Kids:

The Palestine Peppy Pushers 4-H Club meets at the Palestine Lutheran Church in Slater, IA on the third Sunday of each month.

Contact Christa (hartc@iastate.edu) for more information about the 4-H Club.

K-3rd graders, contact Clover Kid leader Erika (515-229-7897) to get started in Clover Kids!
