WHAT CAN YOU DO IN 4-H?

Collins-Maxwell & Ballard No School Day

September is the start of the 4-H program year and now is the perfect time to see what you can do in 4-H!

Participants in grades 4th-8th will be introduced to project areas such as STEM, Healthy Living, Communication and more through activities

All are welcome, you do not currently have to be enrolled in 4-H to participate.

Fee: \$25 per participant; \$15 per 4-H member; \$15 per additional sibling.

The fees for service for these programs will be used to offset direct expenses and to support the 4-H Youth Development Story County Extension Program.
